Mediation Training

Training Hub

Become a Mediator

Our training program incorporates the most effective models of internationally, experiential and theoretical education.

Trainees that attend the 50-hour Basic Mediation Training Program and successfully pass the written and oral assessment will receive an international certified mediator degree from ADR Hellenic Center and IMI, a Trainee Mediator Title and will be listed in IMI's certified mediators' list.

- Exclusively online training (via Zoom)
- 1 year access to e-learning mediation material
- Groups of 3, 6 and 9 trainees
- Flexible training tailored to individual needs

IMI Certified

ADR Hellenic Center is offering the IMI QUALIFYING ASSESSMENT PROGRAM for Certified Mediators

Those who take part in the ADR Hellenic Center's basic mediation training program successfully become qualified and IMI Certified, become part of a worldwide community of experienced mediators and are listed in the IMI worldwide open search engine.

Training Hub

Mediation training in different fields

ADR Hellenic Center has created pioneering programs that are highly successful in resolving workplace conflict, family business succession, family business mediation, business agreement negotiation, Advanced Mediation, School Mediation, and Mediation. Mediation, Body Language, Communication Skills, In-Company Mediation, Conflict Resolution in Sports, etc.

Training Hub

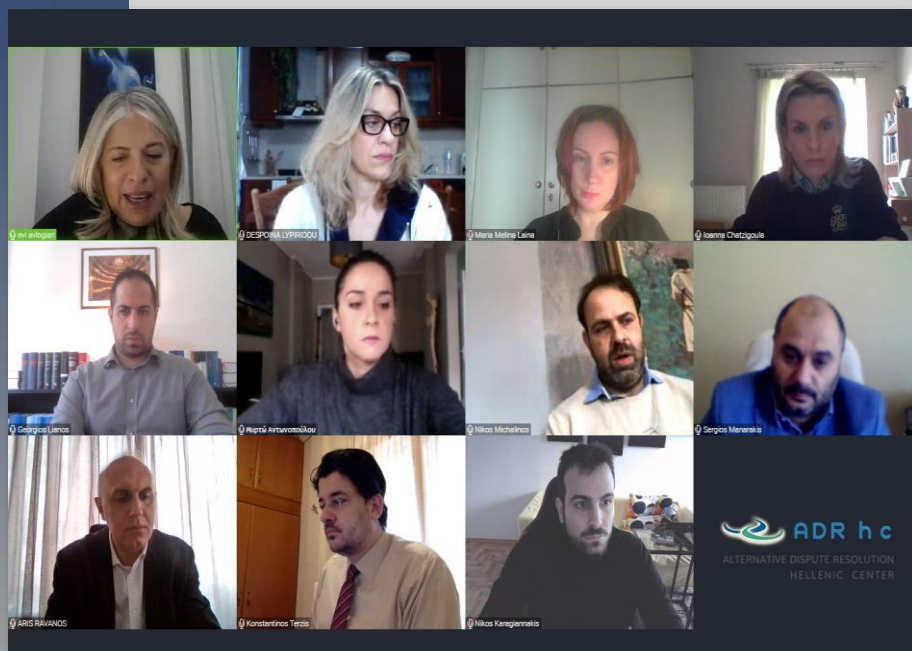

Medical and Bioethics Mediation

ADR Hellenic Center is the only institution both in Greece and internationally that specializes in Medical and Bioethical Mediation and the training of doctors and health care providers in soft skills (Soft Skills) and has created innovative programs. From 2015 until today, Medical Mediation programs aimed at mediators and lawyers, Bioethical mediation programs for health professionals and lawyers, as well as programs in cooperation with hospitals for the training of doctors in mild skills (soft skills) have been carried out with great success. medical error and conflict resolution in medical clinical practice.

Training Hub

Train the Trainers

ADR Hellenic Center is the only institution in Greece that offers a “Train the Trainers” program for Mediators. Through this program mediators become trained and certified Mediator’s trainers and are ready to deliver civil and commercial mediation training according to IMI standards.

The course is conducted in private groups of 3 to 6 participants. The date and time of the course is flexible and can be adjusted according to the needs of the participants.

Training Hub

E-Learning Courses

The Alternative Dispute Resolution Hellenic center was established in Thessaloniki, Greece in 2012. ADR Hellenic Center is providing certified training courses in advanced mediation, healthcare soft skills, empathy and mediation skills in clinical settings, bioethics and conflict resolution skills. ADR Hellenic has been approved to offer the IMI qualifying assessment program for certified mediators.

This elearning platform offers Asynchronous Distance Learning - Open Schedule Online Courses.

Empathy and Conflict Resolution in School

[Home](#) > [Courses](#) > [Main Courses](#) > [Empathy and Conflict Resolution in School](#) > [5. How to teach mediation in school](#) > [How to start - Different views](#)

How to start - Different views

C. Creating respect and understanding for all the different points of view

- Make rules, with the help of the students, at the beginning of the training
- The instructor must understand the students' views, express this understanding and not judge them. The teacher serves as an example for students to follow.
